

## Diploma and Non-Diploma Exam Schedule- June 2017

Please review this schedule to make yourselves aware of the dates and times of your exams. It is expected that all students write their exams on the scheduled date. If you have an exam conflicts (two exams at the same time or three or more in 24 hours) in your schedule please talk with you teachers to make the necessary arrangements. The date and times for diploma exams cannot be changed and must be written on their assigned day and time.

- Please arrive 20 minutes early for your exams to allow ample time for supervisors to seat all students.
- Please ensure that you do not bring any electronic device to the exam. Students found with an electronic device on their person will be removed from the examination room and may forfeit their exam whether the device is on or off (this includes i-Pods, cell phones, and smart watches).
- Bring pens, pencils, erasers, calculators (if needed), and student I.D. to each exam.
- Ensure that no additional materials beyond those specified by the exam supervisors are brought to your exam room.
- Students with the accommodation for extra time will have double the time of the exam. Exam accommodations need to be arranged prior to the writing of the exam.
- Please check the exam schedule in January when the location for each exam will be finalized.
- For students that need to register for, or are writing diploma exams ensure that you have signed up for a MyPass account with Alberta Education.
