

August 2018

Dear Parents and Guardians of Dr. E. P. Scarlett Students;

At Dr. E. P. Scarlett High School we value excellence in academics, athletics, fine arts and citizenship. Our Lancer Homeroom program helps develop citizenship and community involvement. The Terry Fox run provides an excellent opportunity to do so. As we have done in the past, we will be participating in this important event and hope to raise \$5,000.00 for cancer research through the Terry Fox Foundation.

Parent volunteers are needed to help us supervise the Terry Fox Run on Friday, September 14, 2018. If you are available, call Bonnie Leech (our head secretary) in the main office to verify your eligibility to volunteer. Generally, if you have completed paperwork and the police check within the past five years you are eligible to volunteer. If you haven't volunteered before, Bonnie will guide you through the process as quickly and efficiently as possible. We value our parent volunteers as their participation allows more teachers to run with the students. This helps us to build a positive school culture, which pays dividends throughout the school year.

Donations can be made by cash or cheque (written to the Terry Fox Foundation) or through the Internet at the following secure web address: <http://www.terryfox.org/SchoolRun> . Simply scroll down, click on "Give to a Student" and find Dr. E.P. Scarlett to donate. Thank you in advance for helping us to achieve our fundraising goals.
